Issue: November, 2021

Hello Brother Knights and Families.

With October done and November arrived, it's hard to believe that we're reaching the end of 2021! As we approach the years end, we have many constant reminders to be thankful and celebrate those things in our lives that are good. It is amazing to see how much everything has changed over the course of the year. We have achieved much together as a community, coped with a pandemic and relative isolation, learned new ways to go about our daily lives, mourned our losses together, and come together as community to continue moving forward. At the beginning of this year, meetings were fully remote if held at all, opportunities for volunteering, fundraising, fellowship were all limited. And now to just look back at this past month, we held a successful pancake breakfast and had many sporting events and fundraising opportunities to help support the community.

I want to thank everyone involved in the process for both the pancake breakfasts and the fundraisers. It is your efforts that help to grow the family of the St. Dennis community. For those that aren't aware, there are many different opportunities that the knight have each year to help support charitable causes, and in the past month we were able to purchase many coats for Coats for Kids campaign as well as sponsor the Diaper Dash 5k run/walk. This is a small sample of what we can do each year, but it is sacrifice such as the Saturday afternoons or the Sunday mornings that make these events possible.

To help celebrate this effort and community, we will be hosting our Social Meeting this month on November 9th. All knights, families, and friends are encouraged to attend. We'll be honoring all the families and Knights of the month, celebrating the charities to which our Tootsie Roll proceeds are sent, and enjoying a Bingo night to relax and have some fun together as well.

Thanks again to everyone for being with us, and God bless.

The Knight of the Month for November is posthumously Melroy Feit

This last month we lost a significant member of our council. Melroy Feit had been a member of our council for 38 years. Mel had served in many roles over the years serving in virtually all officer roles, most recently as a Trustee. When not an officer, Mel led many committee assignments including the First Degree Team and membership committee. Mel's most important roles had been as a friend and mentor to many both in our council and in the Order in general. Mel performed reach out to the home bound, hospitalized and nursing home/assisted living residents delivering communion and leading rosary prayer. Mel dedicated his life to serving the Knights, St. Dennis Parish, family, friends and strangers. It is with great pride that we select Mel as Knight of the Month and with great thankfulness that we say farewell to Mel. His legacy will live on,

The Family of the Month for November is the Merlin and Vern Maiers family. November marks Merlin's 75th year as a Knight. Merlin and Vern have been very active at St Dennis serving in many ministries over many years. They also participate in almost all of the activities of the Knights Columbus such as the dinner meetings, bingo, and fund raisers. Even their grandchildren from out of town helped with the tootsie roll collections after mass at church. Merlin and Vern are solid fixtures in our family. This pair provide us with a good example for exuberance for life and how to have fun. They are, perhaps the happiest people we know. **Thank You Merle and Vern, for all you do!**

FIELD AGENT MESSAGE

*You're Invited to a Virtual Webinar with Industry Leader Van Mueller November 9th, 2021 - 7:00 PM CST
Financial Success Under Any Circumstance*

Van will ask some compelling questions that will help you clarify how to have financial and retirement success. Here are a few examples:

- 1) How can you maximize your social security?
- 2) Do you prefer to build a legacy for your family and business or the Internal Revenue Service?
- 3) If there was a way to reduce or eliminate the income tax liability on your IRA or 401K, when would you want to know about it. Before or after they charge the tax?
- 4) Can you build a wonderful retirement income if interest rates remain at zero and the stock market offers zero return for a decade?
