Sacrament of the Anointing of the Sick St. Peter Tuesday, April 16 at 5:00 pm

The Sacrament of Anointing of the Sick, often referred to as Last Rites, is a ritual of healing appropriate not only for those in immediate danger of death but also for those suffering from physical, mental, or spiritual sickness. When a priest confers this Sacrament, the individual receives from the Holy Spirit to receive strength, peace, and courage to overcome the difficulties that go with the condition of serious illness or the frailty of old age. Also, the Sacrament formally unites the suffering of the individual with that of Christ's Passion and confers a Grace that contributes to the sanctification of the whole Church.

A priest will always want to anoint a loved one who is facing the end of life, but that is not always possible. Please do not wait until the last moment to call for Anointing; we want to ensure that there is adequate time for your loved one to receive the sacrament.

The Church also offers this Sacrament communally, that is, at a liturgy where many can be Anointed at once. We will offer this opportunity twice every year, in the spring at St. Peter Church and in the fall at St. Dennis Church. **We will celebrate the Anointing of the Sick at the 5:00 Mass on Tuesday, April 16 at St. Peter Church** for all who are facing physical or mental health challenges, or the frailty of old age.

When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be physically healed of illness. But even if there is no physical healing, the primary effect of the Sacrament is a spiritual healing by which the sick person receives forgiveness of sin, and the Holy Spirit's gift of peace and courage to deal with the difficulties that accompany serious illness or the frailty of old age.
